Bio

Jacob Hohua, born in New Zealand and of Māori descent, moved and has called Australia home since the age of 12. Jacob's strength is not only shown through his physicality, but in his range and performance as an actor with an added bonus of a stunt background.

Jacob recently wrapped filming as one of the lead cast alongside Alan Richtson on the upcoming feature film *WAR MACHINE* as #72. You may also recognise him in scenes with Hugo Weaving on the AACTA nominated film *HOW TO MAKE GRAVY*, as the prison tough guy. You'll also find Jacob in hit TV series and blockbusters such as *IRREVERENT*, *BOY SWALLOWS UNIVERSE*, *TROPPO*, *LA BREA*, *GODZILLA X KING KONG: NEW EMPIRE* and *LAND OF BAD*, just to name a few. Jacob's unique look, paired with his acting skills and stunt background make him a catch for any project.
