SEBASTIAN HIGGINS

ACTOR/SINGER

Sebastian Higgins grew up in The Hawkesbury, Sydney, riding horses and training polo before he could walk, then moving to the Northern Beaches, where he continued polo and reignited his passion for sailing—now one of his professional pursuits. Sebastian's love for performance began in school through theatre, eventually leading him to train at Sydney Actors School under industry professionals Felix Williamson, Garth Holcombe, Pip Edwards, Lyn Pierse, and Stephen Hunter. His stage credits include *Metamorphoses* (dir. Andrea Demetriades), *Little Girls Alone in the Woods* (dir. Kim Hardwick), *Face to Face*, and *Early Inheritance* (dir. Felix Williamson). Behind the camera, Sebastian directed the short film *Swedish Death Clean* and is currently writing, directing, and will star in his own upcoming short film.

Whether he's on horseback, at sea, or on stage, Sebastian brings grit, energy, and a fearless spirit to every role he takes on.
