

ABOUT ME

I'm a passionate actor and recent graduate of the Queensland University of Technology (QUT), where I completed a Bachelor of Fine Arts in Acting in 2024. Since graduating, I've been fortunate to work consistently, appearing in a currently airing Channel 7 commercial targeting toxic love in teens, as well as a National Storage commercial set to run on free-to-air television over the next 12 months. I'll also be appearing in the upcoming US feature film, *The Enemy is Coming*, directed by Mark Eder and cast by Australian casting director Mathew Waters."
