VICKI GARD

PROFILE

Vicki is a actress based in Sydney, Australia. Her journey into acting commenced in 2017 after a chance moment which eventually lead her to leave her corporate life and concentrate solely on acting full-time. Vicki has been involved in feature films both in lead and support roles, short films, commercials and music videos. Her commitment and professionalism on set is apparent as she is a focussed and energetic actor capable of portraying a range of roles. Her strong business background has instilled her relentless pursuit to be team player, and she interacts with others with that common goal at the forefront of her mind, making her well regarded by cast and crew alike.

Vicki has studied at Actors Connection in New York and Screenwise Australia under the guidance of Simon Westaway and Robert Mammone and attended numerous masterclasses with industry professionals.
