ABOUT

Hello from Jennifer! With 36 years of acting, singing, & directing experience under my belt, including utilising my skills working with the famous Healthy Harold Van, I am now redirecting my time towards my true passion; acting. I am excited to fully immerse myself in this familiar chapter, and ready to dedicate my energy and extensive experience to captivate diverse roles and to meet new people. I am reliable, methodical, and fun. I am very youthful, fit, and funny.
