Biography

Sami is a versatile and accomplished performer with extensive experience across film, television, commercials, and theatre. Her captivating portrayal of Kira in Beyond the Woods earned her two Best Actress awards, cementing her as a standout talent in the industry. Most recently, she has delivered compelling supporting performances in feature films distributed across major streaming platforms worldwide.

With a magnetic personality and a level of professionalism that far exceeds her years, Sami brings an effortless authenticity to every role she takes on. She particularly excels in powerful, emotionally-driven performances — diving fearlessly into complex characters that demand both depth and raw insight.
