

**Bethany Hawton** is a talented Australian actress based in Western Australia, known for her striking performances across film and screen. From leading roles in *Skin & Blister* (2024) and *The Might of the Daleks* (2023) to producing *Tension* (2023), she brings a unique mix of talent, passion, and creative drive. Trained in everything from the Strasberg technique to advanced weapons handling, Bethany thrives in roles that demand both emotional depth and physicality. With her dynamic presence and versatility, she's ready to take on any challenge—whether it's a complex drama, a thrilling sci-fi adventure, or an action-packed role.
