

Yasmin Kassim is an actor, comedian and writer of Indian/Malay descent. Most recent acting credits include **The Anaconda** opposite **Jack Black** and **Paul Rudd**, **Bear Country** (**Russell Crowe**, **Aaron Paul**), **Spa Weekend** (**Anna Farris** and **Isla Fisher**) and **Fing!** opposite **Taika Waititi**. Prior she worked on **Sex Lives of College Girls** (**HBO Max**), **Joe Exotic** (**NBC/Peacock**) , **Dive Club** (**Netflix**), **Rosehaven** (**ABC**) and **Neighbours**. Yasmin also stars opposite **Daniel Radcliffe** (yes, **Harry Potter**) in **Jungle** directed by *Wolf Creek* creator **Greg McLean** and worked with **Kelsey Grammar** in another US feature **Guardians of the Tomb**.

Yasmin is also a stand up comedian who regularly performs at **The Comedy Store** in LA and San Diego and was one of the 8 comedians chosen for **Mardi Gras 2025** where she performed for a **sold out audience of 1700** in Sydney. In 2024 she completed a **sold out Australian tour** with Brown Women Comedy at **Adelaide Fringe Festival** and **Melbourne Comedy Festival**.

**Fun fact:** Yasmin's first gig was at 6 years old when **Michael Jackson** spotted her in a crowd and asked her to be part of his HIStory tour. Yasmin played the role of 'orphan girl' in Earth song, was featured in Heal the World and the finale of the show. We know...it's only been downhill from there.
