PROFESSIONAL EXPERIENCE

I have been working as an executive in the corporate world for 20 years .Prior to my business background I acted and modeled extensively including live entertainment T.V. shows, I have appeared in many commercials and acting roles prior to moving into business. I now work consistently in acting, which has always been my passion. Most of my previous work was in my 20's and I recently restored my acting skills as listed below, and continue to attend training.

TRAINING
