Diversity, Authenticity and Visibility

Biography

As an early-career actor, Dinitha Senevirathne believes that his motivation, commitment and passion has seen him rise through the ranks of some bold portfolio choices including Sport for Jove's "Romeo & Juliet" (2019-2020), "Grease" (2018), "Remember Me" (2017) and "Servant of Two Masters" (2014) to name a few.

Throughout his years of learning theatre and short courses in film and television Dinithia has become focused, ready and collaborative, largely driven by his love for Shakespeare as much as for modern, improvisational texts. Moreover, his goal as an actor is simply to entertain the audience and to create a quality, exciting, innovative performance for both audience and crew alike.
