SKILLS

I'm a punctual, reliable member of our industry with good people skills, strong adaptability skills and high level of tenacity. My work ethic allows me to collaborate well with cast and crew in the film industry.

I believe my education and previous experiences help with understanding and break down of the story line and respect the continuity. I always focus on overall importance of story telling.

I understand financial stakes and responsibilities that we face during pre-production and production. I feel comfortable being self sufficient and know when to reach out for help.

I'm an inclusive and respectful person in both my personal and professional life.
