

Hey there! 😊

I am Gina Mitchell. I am 28 years old and from Auchinleck, Scotland, UK.

I have been living in Australia now for 7 years and was working as a professional jockey on the Gold Coast for 5 years. I unfortunately had a bad race fall and I am unable to race ride again.

Before coming to Australia, I completed my BA Honours in Musical Theatre at Motherwell College in Scotland and I have recently started Latin dance classes because I love to dance and keep fit. My singing is also very strong and I have sang with an acoustic duo on the Gold Coast on a few occasions. I am also a member of The Pankina Singers singing group and we perform at aged care homes around the Gold Coast every month 😊

I have done a few photoshoots over the past few years at a variety of locations, both in Western Australia and Queensland and loved doing them. I have a very bubbly and confident personality and I enjoy trying new things and meeting new people.

I am very experienced in all aspects of horsemanship and have ridden since I was 2 years old. I have competed at a high level in jumping, showing and pony club mounted games, which led to representing Scotland at The Royal Windsor Horse Show in Mounted Games in 2005 and I was part of the winning Prince Philip Cup team at The Horse of the Year Show in 2005. This gave me the title of British Champion Horse Rider 2005 and it is one of my proudest achievements to date.

I am a great timekeeper, very reliable and hard working.
