Students book lead and supporting roles in feature films, television, streaming - series regulars, recurring, episodic guests, pilots, MOW's, soaps. Working with Award winning actors - **Matt Damon, Robert DeNiro, Mel Gibson, Robin Williams, Tom Cruise, Nicole Kidman, Jeff Bridges, George Clooney ...**

... And with A list directors - **Sofia Coppola, Steven Soderbergh, Stanley Kubrick, Nancy Myers, Tony Scott, Robert Zemeckis, the Coen Brothers** and more.

On Set Coaching: Includes movies, *Contagion*, director Steven Soderbergh, with Matt Damon. *The Fan*, director Tony Scott, with Robert DeNiro," and many other movies and television shows.

Acting Classes & Private Coaching: For movies and television is based on the Stanislavski Strasberg system and innovations. Actors study motivation for emotion, improvisation, character development, script analysis, preparations for screen acting, scenes, self-taping, drama and comedy. Exercises for young actors are adapted from an adult method to study the inner technique and character work; the belief being it enables them to make the age transitions.

Los Angeles Film School: Classes – Acting. Directors, *Working with Actors*, the course covers communication with actors, the actors' language, script analysis, character breakdown, and vision to master interpretative skills and talk conceptually about creating a role. Directed student productions, Shakespeare's *Hamlet*. And *Killing & Conscience* – a film theater interactive piece.

Acting Career: Stage name **Elli Maclure**, acted lead and supporting roles in movies, television, theater; starring in series, guest appearances, pilots, in her native Australia, Europe, USA. Working with Oscar winning directors **John Cassavetes, Peter Bogdanovich, Peter Weir**. And actors Gena Rowlands, Claudia Cardinale & Alberto Sordi in an Italian feature, Antonio Ferrandis, in a Spanish feature.

Trained: John Lehne, Master Teacher, Los Angeles. A member of the Actors Studio, Mr. Lehne studied with Lee Strasberg and Elia Kazan and is renowned for his unique innovations in acting training.
