I am a passionate actor and recent graduate of Queensland University of Technology (QUT), where I completed a Bachelor of Fine Arts in Acting. Growing up in Ipswich and attending Ipswich Grammar School, I developed a strong foundation in both academic and artistic pursuits. After graduating, I immersed myself in the Brisbane theatre scene, gaining experience performing at various productions. With a deep love for storytelling and character exploration, I am eager to continue bringing dynamic performances to the stage and screen, while constantly refining my craft.
