B I O G R A P H Y

Joanna Gorton is an Australian Actress, born in Newcastle New South Wales, and made the move to Sydney at 19 when she was accepted into the full time Diploma of Screen Acting at Screenwise School of Film and Television.

Her love of performing was ignited at age 9 when she witnessed a staged musical production of Pinocchio at her local community theatre. She quickly became enamoured by the majestic singing whale that swallowed Geppetto, prompting her to sign up for classes at the theatre the next day. This lead to 10 years of stage productions ranging from ensemble to lead roles and completing a Diploma of Musical Theatre at WEA Hunter Creative Arts (Newcastle) in 2016.

Since she graduated in 2018 she been signed with RWA and secured roles for Tv commercials, short films and a Tv series along with continuing to train with Anthony Meindl's Acting Workshop in the Sydney studio along with successfully gaining entry in the Stella Adler Acting Conservatory in LA (put on pause due to the pandemic). She is taking time during the current Sydney Lockdown to train with Self tape coaches in Australia and Los Angeles to stay sharp.
