Bio

Ethan has always had a love of singing, dancing and acting and has been enrolled at Centerstage Performing Arts School since the beginning of 2021 where he continues to grow and develop his skills today. There he is under the tutelage of his singing teacher Ian Andrews, his acting coach Steve Lopez as well as their founders Leanne & Ian White in Dance and Musical Theatre.

Ethan has performed at many of Centerstage's concerts as well as being invited to sing a solo at their Singing Cabaret for the first time in 2021 and has performed a solo every year since.

Ethan made the decision to join the Centerstage Agency in 2021 in which he has had many auditions with great success and enthusiasm which has landed him his first job in 2022. As well as appearances in television shows such as Disney+ "The Clearing" & ABC's "Spooky Files, Ethan was lucky enough to have made his stage debut playing the role of Kurt Von Trapp in Theatrical's - The Sound of Music in March of 2024.

Ethan also enjoys Soccer, Karate, Basketball and being active with his friends and family. His favorite subjects are Math's, Reading and you can always find him playing soccer or Pokémon outside with his friends at school.

Ethan is a hard worker as well as fun, focused, happy and an energetic young man who just loves to sing, dance and act with his friends and peers around him. Ethan is looking forward to playing Young Peter Allen in "Boy from Oz" and to be working with Theatrical again on this incredible Australian Musical Theatre show in July 2024.
