

## NATALIE WALKER

Natalie Walker is a talented and versatile performer who has studied and worked in both Australia and Los Angeles. Her latest work can be seen on Seven Network's hit comedy/drama *Winners & Losers*, as the semi-regular role of good girl, med student Donna. She's had a semi-regular role as an exuberant sport teacher on Channel Ten's *Wicked Science*. Played a junkie, a passionate meat lover and an assassin in short and feature films in Los Angeles, as well as starred with Natalie Bassingthwaite in the thriller *Dreamtime's Over*, in which she played an ambitious American lawyer. She loves applying the acting techniques learned from the world-famous Ivana Chubbuck Studios in Los Angeles. She continues to hone her craft, appearing regularly in short films, and writes and produces her own films.
