Notes

Cooper Alexis has positivity aplenty. He is a very likeable and well-mannered young man with a perpetual smile. With over 100 professional and convincing live stage performances, both locally and internationally in multiple roles, Cooper is excited for new challenges and opportunities to learn and grow on the stage and screen.

Cooper is a versatile actor that takes direction well. This was evidenced when he was cast as a Super Swing in School of Rock the Musical, touring South Korea (May 2019 - Sep 2019), consistently covering 4 of the 6 male children's roles (all with lines). He particularly loves to identify with a character and learn their backstory. He was thrilled to play the role of Freddy (the drummer) in the show when it came to the Capitol Theatre in his hometown of Sydney (Nov 2019 - Mar 2020).

He gained so much knowledge and additional training when he was selected as a Top 10 Teen Finalist in AAFTA's Carmen Duncan Scholarship in December 2021 and continues to study and learn as much as he can, from both trained professionals and on set.

Cooper is driven, committed, has a phenomenal work ethic and would love the opportunity to gain future roles within the entertainment industry.
