The passion-driven, hard-working young girl with a spark of excitement- Florensia has been performing on stage ever since she was 6 years old. She has performed in many traditional Indonesian and contemporary dance, singing solos and collaborating with other schools at festivals. Acting in theatre became more of a passion when she starred in her school production's 'High School Musical' and landed her first lead role as Gabriella Montez. She has also starred in 'The Addams Family' as Morticia Addams. Florensia has then been involved in a show called 'All Of Us Or None' which was a part of her Theatre Arts course at Melbourne Polytechnic. She has also worked on another show put together by her and her classmates called 'Doorways' as a Director and an Actor. By the end of 2019 she has successfully graduated with a Diploma of Theatre Arts. Other roles she has performed include starring in student short films and working with a contemporary Indonesian production called 'Artiumnation'. Filling in her time whilst studying, she has assistant directed her former school's musical 'Little Shop Of Horrors' and aspires to continue collaborating in community theatre. Aside from theatre, Florensia is has just completed her Diploma of Stage and screen performance course at Australia's National Institute of Dramatic Arts and cannot wait to show what she is capable of and how much she can bring to the world in the near future.
