I am an Polish-Australian actress based in Naarm (Melbourne).

I began performing at age nine with the Young Australian Broadway Chorus (YABC), and have since gone on to study film and acting at Deakin University, The Australia Film & Television Academy (TAFTA), Australian Institute of Dramatic Arts International (AIDA), Justin Lehman Studio & The Audition Technique (TAT) with Greg Apps.

I have worked across many varied genres of film, including feature films, short films, music videos and commercials. These projects have helped to shape me both as an actress and as a human being, and I feel honoured to have been able to collaborate and connect with many talented and like-minded creatives throughout my career.

My most recent credits include *Francis* in *Teenage Vertigo*, *Sunday* in *Good Grief*, *Caroline* in *In The Meantime* and *Chelsea* in *Dreamer Ballerina*.

In 2023, I look forward to reuniting with the director of *Teenage Vertigo* on his next film, *Pretty Blonde Girl*.
