

Pirie Bourdon

Biography:

I am a determined and passionate actor who has been privileged in gaining a position in the Bachelor of fine arts acting at QUT. If you ask my peers, they will tell you I'm constantly scribbling down notes as I consider myself someone who is hungry to learn. I have a great work ethic influenced by my past work as a farmhand in my hometown Murwillumbah. In my downtime I enjoy singing, dancing, crafting, sewing, and playing with my dog. Given the chance, I would be enthralled to show you how I can aid in building your creative vision and I thank you for your consideration.
