THE STAR PHENOMENON

Despite not being in the spotlight in the broader sense all that much recently, my acting, presenting, and entertaining skills have been utilised to the maximum by my employer, The Star Casino.

The Star Casino has used my talents in a variety of ways. Spattered throughout the three east coast casinos in Sydney, Gold Coast and Brisbane, I have literally become the face of the Star. As part of the Star Quality internal training program, I was featured in training and marketing videos and in modelling shoots for back-of-house promotional materials including wall decals, posters, and a 10-foot high elevator advertisement.

Additionally, I was featured in internal magazine 'The Star: A Luxury Experience' and more publicly in the Daily Telegraph.
