---

### Professional Bio

Djalu is a proud Aboriginal and Torres Strait Islander performer whose talents cross acting, music, and dance. A natural storyteller, he draws on his culture and life experiences to bring authenticity and depth to his performances. With skills ranging from hip hop and traditional dance to music production and live percussion, Djalu also has a strong background in sport, having toured the USA playing basketball and mentoring young athletes. Represented by BMEG, he is committed to building a diverse and dynamic career in the entertainment industry.
