Madeleine Norwood is from the small town of Maffra, Victoria where her passion for theatre and the arts began at a young age when she discovered her joy for performing while gigging in bands as the lead singer. Madeleine loves the art of storytelling and delivering powerful ideas through performance. Whilst studying at the Arts Academy, Federation University, Madeleine has been a part of productions such as *Semi-Monde* (Susanne), *Jane Eyre* (Jayne Eyre), *Exquisite Corpse 2.0* and most recently *Welcome to Thebes* (Phaeax). Madeleine is eager to continue to expand her skills and be a part of a variety of artistic projects and performances.
