

NICKI ARBON

AGE: 55 years old

HEIGHT: 168cm

EYE COLOUR: Hazel

HAIR COLOUR: Silver (natural)

I am a UK/Australian National. I have an English accent and am able to do a range of accents and UK dialects. I regularly attend Actors Workshop run by **Nichola Renton**. I am comfortable with Improv, twice showcasing my talents at Perth Fringe Festival. Physical comedy is something I thoroughly enjoy. I work hard to truly transform, recognizing physicality and voice will bring the character to life. I am keen to branch out more into TV, feature films and commercials. I am always prepared to expand my knowledge and understanding of the industry, taking direction as required. My agent is **AMA Artist Management Australia**. I have completed Screen Acting Techniques Levels 1&2 with **Jeremy Levi**.
