Ellie is the co-creator of the political cabaret 'Julie & Julia: An Evening with the Great Women of Australian Politics', in which she plays Julie Bishop, alongside Marcia Penman as Julia Gillard. The show enjoyed a sell-out premiere season at The Butterfly Club and was also featured on Myf Warhurst's program on ABC Radio.

She was a featured writer for *one fish, two fish* Fresh Take//Isolation Edition, and her piece PRIDE ROCK was broadcast online to acclaim.

Having understudied and performed the role at 21 years old, Ellie is the youngest person to have ever played Grizabella in Cats.
