My Written BIO:

Hey there I'm Wyatt, aged 19 and confident in age roles 16 to 23. I'm enrolled in the Bachelor of Law program at SCU and can travel. I've had extensive formal acting training and experience including in print, runway and photographic modelling. I'm comfortable and love being in front of the camera, have on set experience and easily follow directions as well as working as part of a team. I've trained in script analysis and retention. I've completed numerous professional acting workshops through a number of casting agents. In 2020 & 2021, I successfully completed NIDA and TAFTA acting courses including full term classes. In 2022 I completed a term long elite acting class with Top Tier Studio on the Gold Coast. I've also had formal US accent training and I approach my work in a very mature and respectful manner, taking instructions easily. I perform casual work with a major supermarket and am a trained barista. I enjoy the outdoors and love surfing, swimming and soccer. The saxophone, drums and guitar are my favourite instruments to play.
