CAREER SUMMARY

Dean Butler is an award-winning filmmaker and actor with a background in directing and screenwriting. He recently wrote, directed, and starred as Jack in the *Evenfall* short film trilogy, which screened at top genre festivals including Telluride Horror Show, FilmQuest, and New York Horror, and later reached millions of viewers on Gunpowder & Sky's ALTER. With a foundation in visual storytelling and performance, Dean is now focused on pursuing professional screen acting and is actively seeking representation.
