ABOUT

Harmony is guided by a keen instinct, and a willingness to adapt to direction and circumstances. Having been called a chameleon actor, she enjoys a range of genres, and always aims for truth in her performances.

Harmony's credits include commercial campaigns, short films and feature films, as well as theatre and immersive performance. She has trained under various casting directors and voice coaches, always eager to expand her knowledge and skill set.

Off set, you'll often find Harmony rocking a pair of vintage jeans and funky earrings. Her other hobbies include reading, op-shopping and enjoying an eggs benny by the beach.

On Screen

Harmony's recent credits include playing the hero role in Bank of Queensland's newest ad campaign, which has been making the rounds on social media as well as in branch (she was very excited to see herself on a billboard while crossing the street!) She played a titular role in the short film 'Disembark,' which won Second Place at the Sydney Underground Film Festival as part of the Take48 Challenge.

In 2026, you can expect to see Harmony playing the lead role of Violet in upcoming short film, 'Mulier Et Ecclesia.'

You may also find Harmony whilst browsing games on your MetaQuest headset, as she has had the unique opportunity to work with the company LIV Inc, performing in mixed reality game trailers.

As someone who is not particularly aligned with the gaming lifestyle, she welcomed the challenge of learning each game in order to be confident enough to play in real time.

Theatre and Immersive Performance

Having discovered her passion for performance first on the school stage (most notably as Lucy Pevensie in *The Lion, the Witch and the Wardrobe*) Harmony was excited to revisit her theatrical roots in a recent production of *The Crucible*, playing Susanna Walcott. At the end of 2025, she was employed at MovieWorld for *Fright Nights* and *White Christmas*, where she played a variety of roles and had so much fun! Harmony believes there is nothing better for an actor than having to perform to a live audience.

Other Skills:

- sign writing and drawing
- sewing
- pilates (almost 200 classes!)
- creating super funky outfits (so she's been told)
