Reviews

'Jaden Armitage in his role as Christin Bechdel infuses a vibrant energy and truly heartfelt presence into the family dynamic' – Stage Buzz Brisbane.

'Another highlight in the production's cast comes from Jaden Armitage as Flounder. Though a young performer, Armitage has a strong sense of energy (reinforced by the use of wheel shoes in a brilliant costuming idea) that is infectious' Bravo Brisbane – Donald Ernest.

'One of the absolute highlights of the show was the youngest cast member Jaden Armitage. His acting and reactions in the background scenes were on point and his dancing so full out that you couldn't help but watch him with a smile on your face' Bravo Brisbane - Chole Boike.
