# JESS MILLER

Jess has worked extensively across Television, Radio and Live Events over the last 20 years. Her most notable and exciting role was "Jess in the Chopper" where she delivered live traffic reports from a helicopter for Channels 7, 9 and 10 news. She did this role every weeknight for 3 years and didn't get airsick once! Eventually, she moved on to a more grounded career in Radio, which began at KIIS 101.1 in Melbourne as a Music Presenter and went on to be the full time Workday Announcer at KIIS 97.3 in Brisbane, where she gained a Number 1 position in the ratings. She was also regularly featured on The Kyle & Jackie O Show, where she was affectionately named "Jess The Mess" doing live crosses from the streets of Sydney. Her MC/Presenting experience includes The United Cup & Brisbane International where she has introduced top Tennis players across the World Broadcast feed such as Rafael Nadal, Novak Djokovic, Nick Kyrgios and Aryna Sabalenka. Jess also hosts game days for the Dolphins NRL Club at Suncorp Stadium with crowds of up to 50,000. Prior to 2018, she hosted Live Children's Shows across Australia including Peppa Pig, Blinky Bill, Smurfs, Kung Fu Panda, Hoot & Hootabelle. TVC credits include Barbie, Westpac Invictus Games, Bupa, David Jones, McDonalds, CFA. She is by no means a content creator or social media star but her most viral video on TikTok clocked up a massive 33 million views.
