

# THIAGO TENÓRIO

I am Tenório, a Brazilian model and actor with a 18-year career in the industry, bringing a wealth of experience and versatility to the table. Since 2006, I have had the privilege of residing in over 11 countries across Europe and Asia (including Milan, London, Madrid, Hong Kong, China, Thailand, Malaysia, Singapore, the Philippines, South Korea, and Indonesia) for work. This international experience allowed me to immerse myself in diverse cultures, hone my skills, and expand my professional horizons.

In 2013, I returned to Brazil and moved to Rio de Janeiro, where I graduated in Theatre from Universidade da Cidade in 2017. I worked as a model and actor between Rio de Janeiro and São Paulo, participating in television commercials, advertising campaigns, editorials, fashion shows, e-commerce, and various audiovisual projects.

I have recently relocated to Australia, where I aim to broaden my professional network and forge new relationships with agencies and businesses seeking my expertise and unique flair.
