Mia Mackintosh (she/her) is a vivacious and optimistic artist who recently completed her training for stage and screen performance at the Arts Academy at Federation University. Her passion for storytelling began back home on Gunaikurnai Country (East Gippsland). At University Mia performed as Orlando in Virginia Woolf's *Orlando* adapted for the stage by Neil Bartlett— Directed by Kim Durban. This year, she's worked on student short films and with *Girlhood in The Bathroom*, a new Australian musical as Associate Director at Adelaide Fringe Festival.
