represented by Ruby Blue Artists

I am a highly creative and self-motivated woman from a Lebanese cultural background with a strong passion for story telling and a range of experience in the performing arts. I am an actor, public speaker, writer, and spoken word artist currently building my skills and experience in screen performance. I have a naturally vibrant and bubbly personality and an intrinsic ability to connect with others and engage an audience. I am highly innovative in my approach and adapt seamlessly to various environments.

RANA ALMEKARRY

Rana is a highly creative and self-motivated actor, writer, public speaker, and artist with a vibrant, bubbly personality and an infectious zest for life. Driven by an innate curiosity, Rana has developed her craft as an actor over the past few years training with various reputable acting schools and workshops. With a background in counselling and extensive experience supporting vulnerable communities, Rana embodies empathy, genuineness and adaptability bringing emotional depth to her performance. Inspired by her Lebanese cultural heritage, Rana has a passion for diverse storytelling having produced a variety of creative arts projects that explored the human experience and amplified the voices of diverse women. Rana aims to channel her vast personal and professional life experience and her natural ability to connect with others to deliver authentic, captivating performances that connect deeply with audiences.
