

James Padley Bio 2016

James Padley is a Melbourne based performer whose love for musical theatre was sparked in 1994 when a meerkat and a warthog taught him that a life full of music was a life worth living.

Pursuing his childhood dreams, James graduated from the Victorian College of the Arts in 2011 with a Bachelor of Music Theatre.

In 2014 James was cast in the role of Danny Dog, Granddad Dog, Daddy Pig, and Mr. Bull in Life Like Touring's "Peppa Pig Live! Treasure Hunt" and "Peppa Pig Live! Big Splash" – which has travelled across Australia, New Zealand, and Asia from 2014 to 2016.

James has also found success as a voice over artist, lending his voice to a variety of commercials and eBooks spanning across online media, television and radio.
