

# Ahmed Youssef

Ahmed Youssef is an Egyptian actor and writer. After studying the Micheal Chekov technique extensively, he then graduated from UNITEC in 2017 and has continued to work within the industry gaining roles in projects such as Lord Of The Rings: The Rings Of Power and Power Rangers: Dino Force. He's continued performing on stage and has recently been in the adaptation of the book The Girl On A Train at The Court Theatre. He has previously played and toured in a punk band, before dedicating himself to becoming a full-time performer. He's also a trained architect, visual artist, and speaks fluent Arabic. His eclectic career and traveling during his youth have led him to be a highly versatile and multiskilled actor.
