

Hi there

Thanks for taking the time to check out my profile. My name is Sarah Kassem; I'm 21 years old with an Aussie spirit. I was born in Sydney, Australia and grew up in Brisbane, my background is Yemen and Indonesian I can speak fluent in English only while with Arabic and Indonesian I can speak a few words and a little bit of sentences.

What made me want to get in the modelling and acting industry?

When I was child I always enjoyed watching television with my mum we would watch the Australian, Arabic, Indonesian and Indian series/movies. I have always dreamed of doing acting in Australia, Middle East, Indonesia and Indian shows as I know I have the capability in doing so. I may not know how to speak but I know I can do the accents. That was also the same when I saw pictures of woman's in the shops, magazines, perfumes and clothing's, I love wearing different types of cloths, makeup, jewellery and shoes and taking photo's while posing.

What experiences have I got?

The only experience I have got is photo-shot. I know I need a lot more experience to the job right but I am a quick learner and I enjoy doing this.

100 percent committed...

I'm so excited about this and hopefully I cannot wait to be contacted and start my modelling /acting career. I'd just like to mention that my hijab/scarf represents who I am and it is what makes me feel secure and confident in myself. I'm fully aware of the challenges I may experience, however I am not at all concerned with what others may portray or deceive of me as I am 100% committed to working towards my career. I've always wanted to be a model/actress and will work towards my dream job to the best of my abilities. I would love to have the opportunity to work with your company and experience whatever you have to offer. Thank you in advance for your time to see my profile and I hope to be one of your successful candidates.
