

## **Jonathan O'Drowsky...**

Is an energetic performer with wiry expressions and a baritone vocal range. He started in community theatre, falling in love with all aspects of music, film, and theatre. He has completed his Acting training with Humber College's Theatre and Performance Program and has practiced in many forms of stage combat. Beyond the stage and screen, Jonathan can ride horses in the English and Western styles, is trained in Middle Eastern and European Archery techniques, and continues studying in HEMA.
