ABOUT

Hello from Jennifer. With 36 years of acting / singing and directing experience under my belt, including utilising my skills working with the famous Healthy Harold Van, I am now redirecting my time towards my true passion, performing. I am excited to fully immerse myself in this familiar chapter, and I am ready to dedicate my energy and extensive, varied experience to captivate diverse roles and to meet interesting, new people. I am reliable, methodical, and fun. I am very youthful, fit, and funny.
