

**SANDY AUDITION SCENE 1: EPISODE 1**

*CONTEXT: Having flown halfway around the world to attend the reunion, Sandy is gloating about her influencer-life.*

INT. REUNION - GYM HALL. NIGHT.

Sandy is showing everyone pictures of her Instagram-famous dog on her phone.

SANDY

...it was perfect timing because Constable had a cover shoot for Dogue in Seminyak so I figured I'd pop by while I was in the neighbourhood, cos we all know Tomiko from Japan sure as shit wasn't going to make an appearance!

RENEE

Best. Exchange student. Ever!

SANDY

And this is my baby at the Nickelodeon Kids Choice awards...

Teresa nods, her warm smile frozen in place. Renee freezes.

RENEE

Oh, Teresa. She didn't mean... Not a *baby*, baby, obviously...

TERESA

Guys! We can use the word '*baby*'! Lots of couples have failed IVF cycles, *I'm fine*! And somewhere in a special freezer in Brisbane our embryos are like, woooooo, you party while you can mama and I'm like, okay babies, I will!

Teresa stumbles off.

SANDY

I'm sorry, I thought I was coming to a party, not an IVF support group. Honestly.

AMELIA

I've got to head off, sorry.

RENEE

No! We haven't even talked about  
Zoe and The Match! Or why you  
didn't finish school!

SANDY

If you say Groundskeeper Willy  
knocked you up, swear to god,  
Teresa owes me a pack of  
Lipsmackers...

AMELIA

Alas, no Moon Rock Candy lips for  
you, Sandy. Nice to see you guys...

Amelia finally breaks free and leaves. Renee looks to Sandy.  
Sandy's looking for a better offer. After an awkward BEAT:

SANDY

Eugh, what do you do now, Renee,  
blah blah blah?

RENEE

Oh! I'm a nail technician.

SANDY

Oh, darling. I wouldn't tell anyone  
that.

Sandy walks off to the drinks table. She cuts the line and  
helps herself.

SANDY (CONT'D)

Thirsty lady coming through, girls!

GENEVIEVE

Sandy! There's a line!

SANDY

Settle down, Pepe Le Poo.

GENEVIEVE

Don't *call* me that.

SANDY

Well don't shit yourself at Grade 9  
camp and we won't have to, PLP.
