

INT. HILLVIEW HIGH - PRIDE GROUP CLASSROOM - DAY

Hannah stands near the food but isn't eating anything. Sam approaches under the guise of getting something to eat.

SAM

We're about to start a new game.

HANNAH

I'm good, thanks.

SAM

You know you're kind of bringing down the vibe in here.

Hannah smiles.

SAM (CONT'D)

You okay?

HANNAH

Yeah, I'm fine. I've just ... got a lot going on.

SAM

Do you want to talk about it?

Hannah thinks about it for a moment. She shakes her head.

SAM (CONT'D)

You sure?

HANNAH

Yep.

SAM

Come on. I'll beat you at cards.

HANNAH

How is that gonna make me feel better?

SAM

It won't, but there's no point us both feeling bad.

HANNAH

You know how I said you only had to come for a couple of weeks. It's okay if you don't want to come back.

SAM

I think we can probably give it a bit longer.

A smile from Hannah.
