

TYSON ZEIN scene

51 INT. INTERVIEW ROOM/POLICE STATION - DAY 51

TYSON is staring at them.

TYSON

You're not serious? Assault? Against that little shit?

EMMA shrugs, apologetic.

EMMA

He's pressing charges. You did go in a little hard.

TYSON

Little prick deserved it.

EMMA

I'm sure. The thing is, he won't have a leg to stand on. With his drug charges-

TYSON

Exactly.

EMMA

We just need to make sure we've got all our ducks in a row.

TYSON

Absolutely.

EMMA

So you found the bag of pills on him?

TYSON

That's right.

EMMA

His jacket pockets were kind of small.

TYSON hesitates.

EMMA

Were they in his bag? You searched his backpack?

TYSON

Yeah, that's it.

JAY

He wasn't carrying a backpack.

TYSON looks caught.

EMMA

He must have had Genevieve's.

TYSON

Yeah.

JAY

A pink pack with I love France written on it under a fluffy duck.

TYSON

Ah... yeah.

JAY

Only she didn't have a pink pack with I love France written on it under a fluffy duck.

TYSON stares.

JAY

It was under a fluffy chicken.

TYSON

Is this some sort of joke?

EMMA

This is just the sort of thing Eric's defense is going to throw at you. Like I said, we need to be exact.

JAY

So you didn't find any ice. Only pills.

TYSON is confused by the change of direction.

TYSON

That's right.

JAY

And how did you know they had pills? Did you see them selling?

TYSON

Yeah.

JAY

Just Eric?

TYSON

Yeah. He'd take the money, hand over the pills.

EMMA
Terrific.
